Forgot

- 2 Ilagay ang inyong registered number. Sa number na ito ise-send ang inyong **Temporary Password**.

Sundin ang format ng number gaya sa ibaba, pagtapos ay i-click ang Reset Password button.

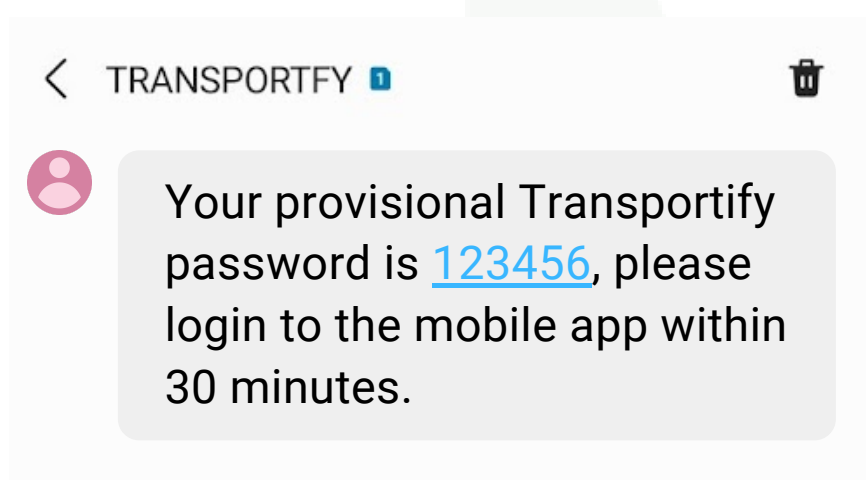

← Forgot Password

9201234567

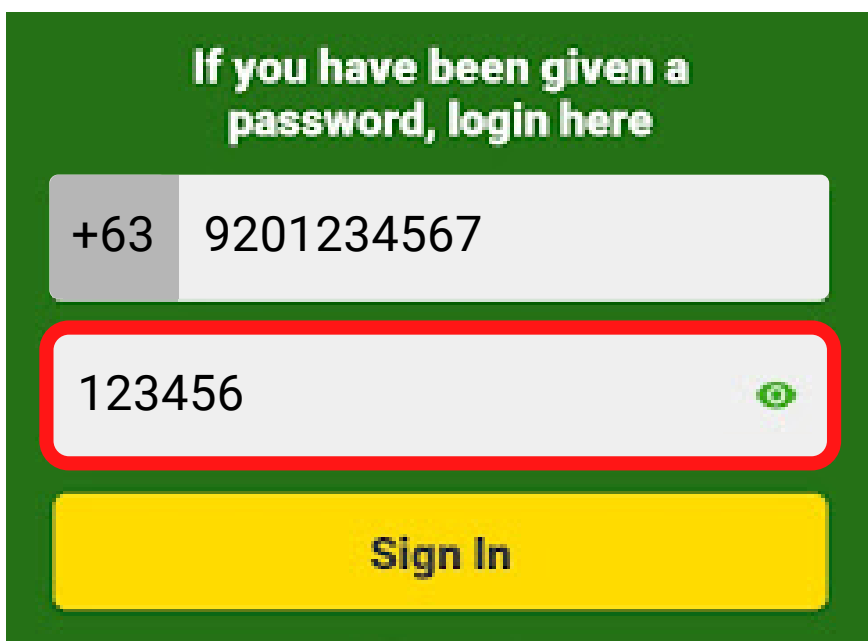

Reset Password

- 3 Hintayin ang inyong mare-receive na SMS na naglalaman ng inyong Temporary Password.

Agad na gamitin ang matatanggap na Temporary Password bago ito mag-expire sa loob ng 30 minuto.

- ④ Mag-login ulit sa Driver App gamit ang natanggap na Temporary Password mula sa SMS.
