Work Experience

All around staff

Elite lounge salon
February 2020 to May 2022

Hi Sir/Maam,

From my previous job I've learned a lot of things. I know how was the proper way of customer service to the clients. I know how to be a receptionist, cashier, barista, nail technician, beautician and cleaner. I considered those skills to built me more stronger to find a much better job or opportunity for me. Thank you and Godbless.
