- Proficient in gas cutting/oxy acetylene.
- Knowledge in using gouging.
- Highly productive even under pressure.
- Knowledge of industry safety practices.

### Work Experience:

**Company** : East Working Partners (EWP)  
**Location** : Partner Stocznia Nabrzeze Fant, Szczecin, Poland (Shipyard)  
**Duration** : January 3, 2022-Present  
**Position** : Welder / Spawacz

### Job Description:

- Ship Building full welding metal parts use ceramic welding testing is performed.
- Follow assign tasks of supervisors and do the good accomplishment right on time.
- Welded joints, columns, fabricated decks and grinders in place accordance to blueprints.
- Gouging metal parts and repair the welding defects.

- Welding using Flux Cored Arc Welding (FCAW), Shielded metal Arc Welding (SMAW) or Electrode Welding.

**Company** : Tri-ex Tower Co., Inc.  
**Address** : 75 Gen. Ordonez St. Marikina Heights Marikina City  
**Duration** : January 11, 2021-August 18, 2021  
**Projects** : PTV4 Tower Network  
**Position** : Welder

**Job Description:**

- Responsible for full welding of lifting beam, tacking, fabricates frames and brackets.
- Tower retrofitting and erecting additional plates brackets and beams tack and full welds.
- Follow assigns tasks of superior to accomplished projects.
- Responsible for the welding works duties to be done.
- Assign at high structural tower.

**Company** : Segawa Iron Works. Co. LTD  
**Location** : Kushida 1 Kanazawa Cho Toyokawa Aichi , 441-1212 Japan.  
**Duration** : April 19, 2017 – April 19, 2020  
**Position** : Welder

**Job Description:**

- Vehicle spare parts manufacturer.
- Repairing defective products using GMAW, GTAW welding.
- Operating robotic welding.
- Classifying rejected product to good products.
- Accomplishing ordered product of our customer to be delivered on time.

**Company** : Triples Welding Shop  
**Address** : Quezon St. Brgy. 1 (POB) Gasan Marinduque, Region 4-B  
**Duration** : July 16, 2016 – December 15, 2016  
**Projects** : Fabrication Signage & Installation Signage  
**Position** : Fabricator Welder

**Job Description:**

- Develop and fabricate signage and décor for client.
- Processed work orders and evaluate documents to maintain accuracy of information.
- Ensured compliance to state and federal regulations.
- Prepared and obtained customer approval prior to development.
- Coordinate with design department and implemented lines of communications.
- Monitored and ensured correct usage and placement of signage through the area.
- Maintained record of inventory and placed order as per requirements.

**Company** : Chittick fire & Security Corporation.  
**Address** : 10<sup>th</sup> Floor Telecom Plaza Bldg. Gil Puyat Ave, Makati City  
**Duration** : June 1, 2015- June 30, 2016  
**Projects** : Fire Protection FDAS fire suppression & fire extinguisher  
**Position** : Pipe Welder

**Job Description:**

- Responsible for assembling and installing pipe systems, pipe supports and hydraulic pneumatic equipment.
- Coordinate with job site manager to configure pipe system layout.
- Order proper pipes and other materials.
- Assemble materials at job site.
- Secure pipes to wall and fixtures using brackets, clamps tool or welding equipment.
- Resolve problems such as obstruction or holes.
- Prevent monthly maintenance of fire alarm, smoke detector & fire extinguisher.

**Company** : EEI Construction & Marine, Inc.  
**Address** : Lot 5 – A Maguyam Road Brgy. Maguyam Silang Cavite  
**Duration** : February 25, 2015 – May 30, 2015  
**Projects** : Petron, Shell, Caltex & Phoenix Depot Tanks  
**Position** : Welder Fabricator

**Job Description:**

- Fabricate tank and full welds to ensure good quality welding works, hydro air test and metal x-ray test is performed.
- Responsible for assembling structural metal products using tools machine and their own hand fabricates various type of product.
- Inspect assemblies and installation for conformance to specification.
- Coordinate schedules, analyze and resolve work problem.
- Study and interpret assemble instruction.
- Complete quality control forms, ensure working environment is clean and safe.

**Company** : Tri-ex Tower Co., Inc.  
**Address** : 75 Gen. Ordonez St. Marikina Heights Marikina City
