TO WHOM IT MAY CONCERN:

I was initially impressed with **ELIZA GABRIEL CARREON** enthusiasm, communication skills and professional demeanor when we hired her as a Nurse at Lavender Medical Center. During the four years she reported to us, she consistently demonstrated all of these qualities and more, and I heartily endorse her.

She is reliable, dedicated and eternally upbeat. Her ability to calm angry or frustrated patients is unparalleled. She multitasks effectively and is able to handle a high-volume workload. She consistently met or surpassed all weekly nurses' duties.

Of particular value to me was her enthusiastic embrace of change, ability to work with minimal supervision, unwavering commitment to exceeding patient's expectations, organized and diligent.

She has my highest recommendation, and I am happy to furnish more details if you would like additional information.
